Income Base Stylist

Income Base Stylist is a hair stylist program for Elementary and High School students. This program is designed to help low income families maintain affordable hair care. We will provide quality hair care services for families in underserved communities.

How It Works:

Each family or individual will have a consultation. In these consultations we will discuss what type of hair style and pricing the client will receive based on the income and grades that the individual has.

What's Needed:

30 days of income
Weekly (4 check stubs)
BI Weekly (2 check stubs)
School Grades (progress report)
How many people are in your household?
How much is your monthly rent and utilities?
